

We're helping customers in
PLACE move more goods
and grow their businesses

Dear *FIRST NAME*,

I wanted to get in touch with you to share some of the fantastic outcomes we have been working on in *AREA*.

NUMBER of businesses opened in the area during the past year and a higher number are trusting Toll as their transport provider.

Toll's industry leading network covers more of Australia than anyone else, with access to more places, more options, and more value.

Having worked closely with customers in your community for over 25 years, we have developed a unique understanding of how we can best support logistics for businesses of all sizes.

We've put together an information pack which details how we are helping customers like *COMPANY NAME* to achieve their business needs.

I would be delighted to set up a time for one of our account managers to connect with you.

Express your interest below and we'll be in touch soon.

Sincerely,

Carolyn Sewell
